

## Porcelain Mark P7

The very rare 'box' mark was usually printed underglaze in the main colour of the transfer printed pattern. Examples have been seen in **blue**, **green** and **dark olive**.

It seems to have been used on only about three specific patterns.

<u>Colour</u>	<u>Pattern#</u>	<u>Date</u>	<u>Frequency</u>
<b>blue</b>	Broseley	c1825-40	quite rare
<b>olive</b>	950	c1825-40	quite rare
<b>blue</b>	1055	c1825-40	quite rare
<b>green</b>	1055	c1825-40	quite rare

Please pass on details of other patterns with this mark.
